

Membership ^[1]

Membership

Membership is an investment in your career.

In Finland, membership of a trade union is a legal right and commonly accepted. Academic Engineers and Architects in Finland TEK is one of the unions for highly educated professionals.

The main aims of TEK are to promote the interests of our members in the labour market and

to promote education and technology in Finland.

We offer practical support to our members from the very beginning of their studies and throughout their professional careers.

SERVICES AND BENEFITS 2020
